

Dear Team San Francisco Member, Sports Leader & Supporter:

Just in time for your Holiday shopping, or buying new "gear" in time for the new season of sports in 2023, TeamSF and **Sports Basement** have teamed up to bring you 11% off purchases from **12/10/2022-12/17/2022**. If you're already a Basementeer, then you get an additional 9% for a 20% discount. **Bring the coupon below to use the barcodes on checking out, or use the code below for on-line purchases. Why not buy all of your Holiday presents at an 11% discount nice and early this year, then sit back, drink egg nog, wrap presents and just relax until the big day arrives.**

TeamSF will also host a Town Hall meeting via Zoom on Monday December 12 at 7 PM. This is an open-forum event to allow all TeamSF members to discuss the up-coming Gay Games 11 in Guadalajara, Mexico and Hong Kong, China. Our two Delegates to the Federation of Gay Games will be present to answer as many of your questions as possible, and anything we cannot directly answer, we will reach out to the relevant organizing teams to obtain answers for you.

Register in advance for the **TEAMSF TOWN HALL** meeting:

After registering, you will receive a confirmation email containing information about joining the meeting.

Please feel free to share this information with your team members, fellow enthusiasts, and even your family and friends if they would be interested.

We would like to take this opportunity to wish you, and your loved ones, a very safe, fun, and happy Holiday season and a fantastic and successful New Year.

Sincerely, TeamSF board.
